

TEMPORARY ROAD CLOSURE: 400TH AVENUE OFF HWY 10.

Official Detours: *Port Trail*. This is the preferred detour for buses, motorcycle groups, and car clubs. *Cabernet Trail*. This is the second official detour, most conducive for single vehicles.

Scenic Routes: You'll see some beautiful views and farm country as you meander along the *Merlot*, *Pinot*, and *Chardonnay Trails*. These routes are a bit more scenic and you'll see some beautiful sights along the way. Drive slowly and take extra caution; watch for children and slow moving farm equipment.

Please note: Print out or download (to your phone) a copy of this detour map. Once you get out in our neck of the woods, you'll probably fall off the grid.
